Temporary restrictions on the entry of visitors to Indonesia

As per the meeting on the revision of the Circular number SR.03.04/II/1262/2021 of the COVID-19 Handling Task Force number 8 of 2021 concerning the International Travel Health Protocol during the Corona Virus disease pandemic, (COVID-19), the Ministry of Health, Republic of Indonesia has issued the following updates:

The Ministry of Health establishes three criteria for international travellers as follows:

1. VISA is deferred with the following criteria:

Foreigners with travel history in the last 14 days from countries with report of a high increase in new cases and/or high deaths in the last 7 days, as well as a new variant (Variant of Concern), namely India and South Africa.

2. Quarantine of 14 x 24 hours with the following criteria:

a. Foreigners with travel history in the last 14 days from countries that reported cases of COVID-19 and there are new variants (Variant of Concern), and based on a risk analysis by the Ministry of Health, from these countries are at risk of transmitting COVID-19 to Indonesia, namely Pakistan, the Philippines, Bangladesh, Argentina, Turkey, Brazil, Malaysia, Sri Lanka, Nepal, Thailand, Italy, Singapore, Iran, United Kingdom, United States, and Saudi Arabia.

b. Indonesian citizens traveling within 14 days from countries with reports of a high increase in new cases and/or high deaths in the last 7 days, and there is a new variant (Variant of Concern) as referred to in number 1, namely India and South Africa.

3. Quarantine 5 x 24 hours with the following criteria:

a. Foreigner who are not included in category 1 and 2 a.

b. Indonesian citizens from countries that report cases of COVID-19 that are not included in category 2b. For this category, Indonesian citizens are required to continue self-quarantine for 14 days at their residence after completing centralized quarantine at designated quarantine facilities.
